

ennSight

Replace Oracle Discoverer in 2-10 weeks

Migrating from Oracle Discoverer is highly-manual and can require a time commitment ranging from a few months to a few years. ennVee's proprietary ennSight tool helps companies simplify the migration process through automation.

Automated Migration Tool: ennSight ensures a swift and cost-effective migration from Discoverer to your target platform of choice in 2-10 weeks. Using automation, we help you identify and extract complete reports from Discoverer before migrating to your desired platform.

KEY FEATURES

- Automatically identify, categorize, extract, complete Discoverer reports
- 2-10-week, "as-is" migration
- Zero-dollar assessment: conversion timeline, fixed-bid pricing, roadmap, and prioritized migration plan
- Pick and choose what to migrate
- Consolidate duplicate or triplicate workbooks
- Sunset obsolete reports

EXTRACTED ELEMENTS

- Reports
- Workbooks
- Worksheets
- Infrastructure
- Folders
- Calculations
- Filters
- Conditions
- Joins
- Hierarchies
- Classes
- Business Rules
- Security
- Roles

KEY BENEFITS

- Reduce migration time and cost by 70%
- 100% success rate
- Reduce the cost of development and maintenance
- Reduce total report count
- Improve your overall reporting strategy

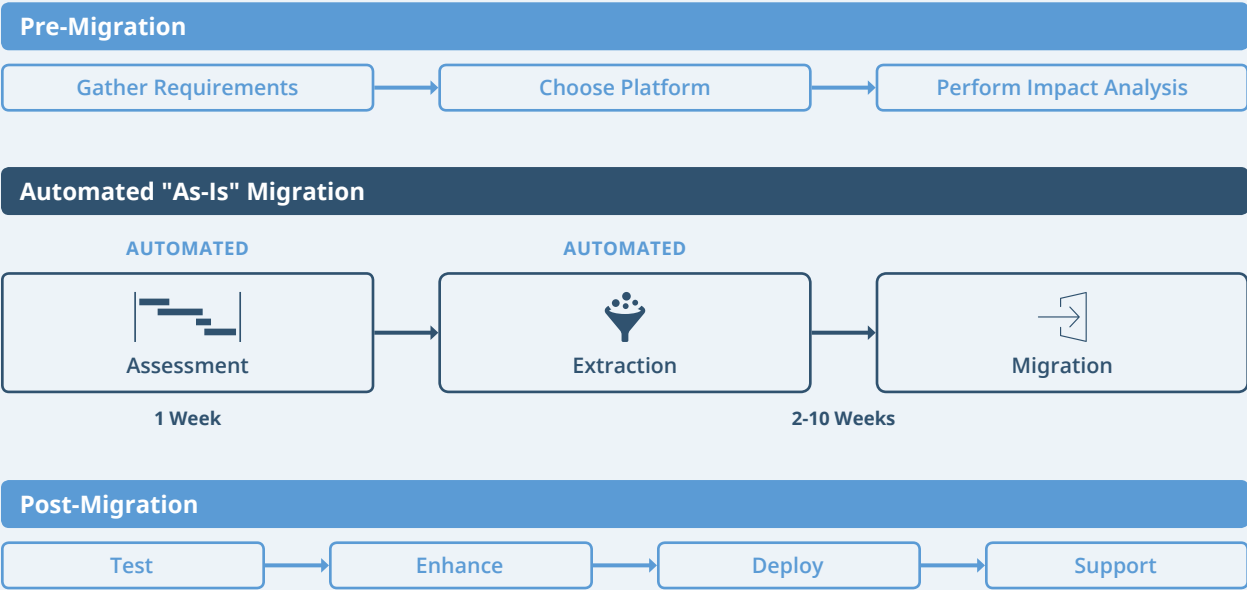

Target Platforms

"ennVee's speed and accuracy in converting the reports was very high. In fact, we were unable to keep up with the testing on our end at the pace in which they were converting the reports."

How It Works

Want to cut your migration cost & time in half?

Take our Free Migration Assessment

Our comprehensive Discoverer migration assessment identifies and analyzes all Discoverer reports and elements by owner, department, last time ran, and provides a detailed project plan to help you prioritize what to migrate, consolidate duplicates, and retire non-essential reports.

Key Deliverables

- A summary of all identified reports, business areas, worksheets, files, folders, etc.
- All reports and elements categorized by complexity, hours and effort required to migrate
- Free Proof-of-Concept: 1 report converted to your platform of choice
- Roadmap and project plan
 - Scope, Milestones, Conversion Timelines, Resource Plan, Rationalization
 - Fixed-bid pricing to migrate using ennVee's automated services
